## 3. Objectives

**3.1** To ensure that Holbeach Hospital & Nursing Home obtains appropriate and General Data Protection Regulation (GDPR) compliant consent from Data Subjects, including Service Users, where consent is necessary.

## 4. Policy

**4.1** Holbeach Hospital & Nursing Home understands that it may be able to rely on a ground other than consent under GDPR, such as legitimate interest, fulfilment of a contract, or the processing of special categories of data for the provision of health or social care or treatment or the management of health or social care systems and services. Holbeach Hospital & Nursing Home will review the guidance note entitled "GDPRG04 - Processing Personal Data" for more information about the grounds for processing under GDPR.

**4.2** Holbeach Hospital & Nursing Home understands that if it is required to seek consent from Data Subjects, including Service Users, such consent should be freely given and Holbeach Hospital & Nursing Home will clearly explain the processing that it intends to carry out in respect of the personal data.

**4.3** Holbeach Hospital & Nursing Home understands that under GDPR consent has to be:

- | Explicit - consent requires a very clear and specific statement of consent
- | Separate from other terms and conditions
- | Specific and 'granular' so that Holbeach Hospital & Nursing Home gets separate consent for separate things. Vague or blanket consent is not enough

**4.4** Holbeach Hospital & Nursing Home understands that it must take extra care when processing personal data about children. Holbeach Hospital & Nursing Home recognises that GDPR does not specify an age at which children are deemed to be able to consent to their personal data being processed under GDPR (except where online services are being provided to a child, in which case a child can provide their consent at the age of 13).

**4.5** Holbeach Hospital & Nursing Home shall seek consent in line with any relevant provisions in the Data Protection legislation and shall ensure that the ways in which it obtains consent from a child are appropriate. For example, Holbeach Hospital & Nursing Home will obtain consent using language that is appropriate and easily understood by the child, taking into account the child's age and ability and the type of personal data being processed.

## 5. Procedure

**5.1** Holbeach Hospital & Nursing Home will use the template forms provided if Holbeach Hospital & Nursing Home determines that it is required to seek consent from Data Subjects, including Service Users, to process their personal data under GDPR. If Holbeach Hospital & Nursing Home is uncertain as to whether consent is necessary or it is able to rely on an alternative ground, it will seek further advice.

**5.2** Holbeach Hospital & Nursing Home will ensure that it uses the appropriate form, bearing in mind whether the Data Subject has capacity or lacks capacity.

**5.3** Holbeach Hospital & Nursing Home will ensure that, where children's services are provided or activities are undertaken where children might be present or involved, parental/guardian consent is obtained in advance. This would include situations such as social events where photographs might be taken.

### Holbeach Hospital & Nursing Home - Data Protection Consent Form

#### Background

Holbeach Hospital & Nursing Home uses your personal data for a number of different reasons. Personal data is any information that identifies you or, in some cases, information that is about you such as an opinion. It includes your name, email address, postal address, job role, photographs, CCTV and more sensitive types of information such as medical and health records, your Care Plan, information about your religious beliefs, origin and race, your sexual orientation and your political views.

We comply with the law in place in the UK around data protection when we use your personal data including "GDPR" (short for the General Data Protection Regulation) and the Data Protection Act 2018. The law allows us to use your personal data for a number of reasons without checking with you that it is ok for us to do so, for example, where we can show that we have legitimate reasons to use your personal data or where we need to use your personal data to provide you with the services you have requested from us, or to meet a legal obligation placed on us.

However, in some situations, we need you to confirm that you are happy for us to use your personal data.

#### Why we need your consent

We need your consent for us to carry out the following activities with your personal data:

*[Insert an explanation here of what you do with the personal data that requires consent. Be as clear and specific as possible. Include an explanation of how long you will keep that personal data. If there is more than one activity you want to get consent for, you will need to get separate consent for each activity. It may be simplest to use multiple copies of this form, one for each processing activity. Alternatively, you could number the activities and incorporate a separate signature or tick box for each at the end of the form]*
